

AZ Vocabulary

1. Draw **place-value blocks** for each **addend** in $346 + 139$.

Finish drawing the blocks. Draw a square for each hundred.

	Hundreds	Tens	Ones
346			
139			

2. Look back at the chart in Item 1. Find $346 + 139$.

Join the hundreds, tens, and ones. Regroup.

Hundreds	Tens	Ones
<p>_____ hundreds</p> <p>4 hundreds = _____</p>	<p>_____ tens</p> <p>_____ tens = 80</p>	<p>15 ones or _____ ten and _____ ones</p> <p>_____ ones</p>

So, $346 + 139 = \underline{\hspace{2cm}}$.

On the Back!

3. Find $264 + 638$ using drawings of place-value blocks.
