

Name \_\_\_\_\_

# Teamwork

Choose one player from each team. Write a subtraction problem using their scores. Then write how many more points the player from the A Team scored. Use any strategy.

**A Team Score**

Marco	745
Elena	916
Dekembi	692
Linda	885

**B Team Score**

Jackie	452
Kalisha	325
Dante	581
Akmad	263
